## 2. Executive Summary

**Overview:** Hyundai Motor India Limited demonstrates a commitment to ethical practices and regulatory compliance. However, there are areas needing attention, particularly regarding gender pay equity and supply chain due diligence.

■ **Key Insight:** While Hyundai has robust systems for data protection and customer feedback, there is a lack of transparency regarding gender pay equity and a need for enhanced due diligence within its supply chain to ensure adherence to human rights standards.

## 3. Supply Chain & Vendor Intelligence

### Key Vendors Identified (Related Parties):

- TVS
- Hinduja Tech
- Switch Mobility

**Principal Employer Liability Analysis:** The document does not explicitly discuss principal employer liability regarding contract labor. Further investigation is needed to determine the extent of Hyundai's responsibility and risk in this area.
